

User Interface & Component Style Guide for Desktop Implementation

v.1 August 5, 2019

Logo Usage

Exclusion zones

Always allow space equivalent to about 1/2 the height of the logo on the top, bottom, left and right.

Always allow space equivalent to about 1/2 the height of the logo on the top, bottom, left and right (there may be some exceptions with small-format mobile considerations).

Minimum width - full logo

The full logo minimum width is 2.5in. or 195px.

Minimum width - symbol

The symbol ideal minimum width is .75in. or 54px (there may be some exceptions for mobile app icons).

UI Typography

Roboto

Headline Text

Used for headlines, subheadlines, headers, or emphasized text.

Regular Weight

ABCDEFGHIJKLMNOPQRSTUVWXYZ
abcdefghijklmnopqrstuvwxyz
1234567890!@#\$%^&*()_+="':?><

Bold Weight

ABCDEFGHIJKLMNOPQRSTUVWXYZ
abcdefghijklmnopqrstuvwxyz
1234567890!@#\$%^&*()_+="':?><

SF Pro Text

Copy Text

Used for regular body copy and numbers for readability.

Regular Weight

ABCDEFGHIJKLMNOPQRSTUVWXYZ
abcdefghijklmnopqrstuvwxyz
1234567890!@#\$%^&*()_+="':?><

Bold Weight

UI Color Palette

Primary Color Specifications

#0070F5

Bright Blue

Used to identify interactive elements such as buttons, icons, and links.

#666781

Steel Gray

Used for default line color in form fields and elements.

#FFFFFF

White

Default background color for all screens.

#001D48

Navy Blue

Used for default text color.

#BFD BFC

Bright Blue Fade

Used for table row backgrounds and non-primary interactive elements.

UI Color Palette

Accent Color Specifications

#FFCF5C

Highlight

Highlight color for navigation menu.

#f7B500

Caution Yellow

Color for icons and elements that need to convey caution.

#EAEAEA

Disabled Light

Default background color for disabled elements such as buttons.

#71A03B

Positive Green

Color for icons and elements that need to convey a positive outcome.

#8A0008

Warning Red

Color for icons and elements that need to convey a warning or urgency.

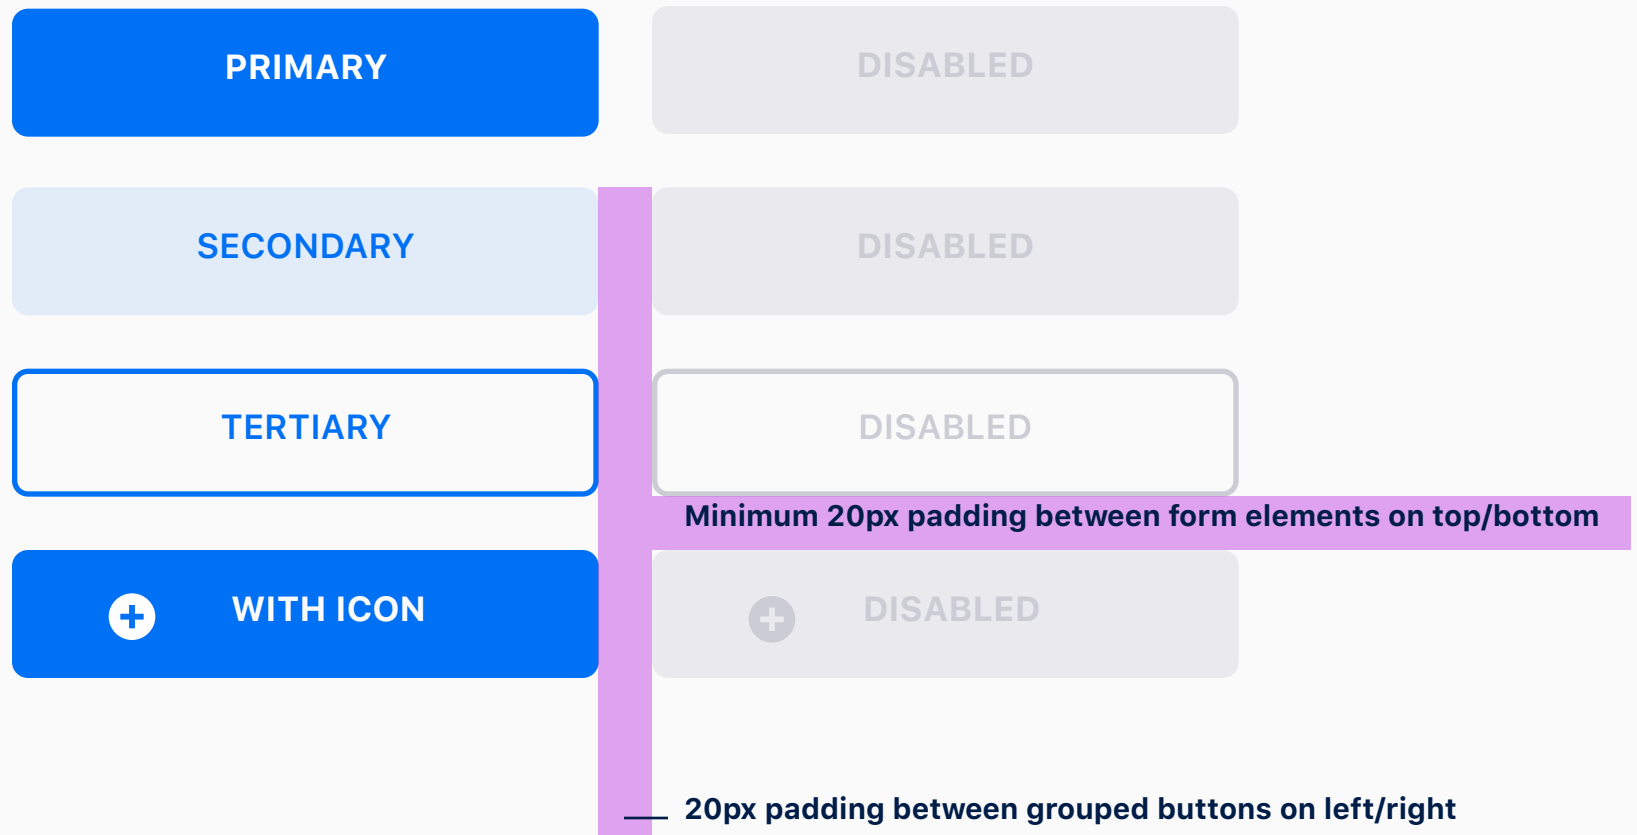

#CCCCCCD5

Disabled Medium

Default text color for disabled elements, and main color for disabled icons or small text.

Components

Standard (Desktop Size) Buttons

Components

Form Elements - Input Fields and Dropdowns

Title/Label

Standard Input Field/Text Field
(length specified per scenario)

Title/Label

Standard Dropdown/Select

10px padding on left/right for inner field elements

Title/Label

- Search term 1
- Search term 2

Minimum 20px padding between form elements on top/bottom

Title/Label

10px padding between form label and field

- Search term 1
- Search term 2

Searchable List Selected Dropdown/Select

20px padding between fields on left/right

Components

Form Elements - Validation

Title/Label

A rounded rectangular input field with a green border and a green checkmark icon in the top-left corner.

Standard Input Valid

*** All fields are required.**

Standard Alert Text - Warning

A rounded rectangular input field with a red border and the word "Error" in red text in the top-left corner.

Standard Input Error

*** Try a different search term.**

Standard Alert Text - Caution

A rounded rectangular input field with a blue border and five black dots representing a password.

Standard Input Password

*** Success!**

Standard Alert Text - Positive

A rounded rectangular input field with a red border and five red dots representing a password error.

Standard Input Password Error

Components

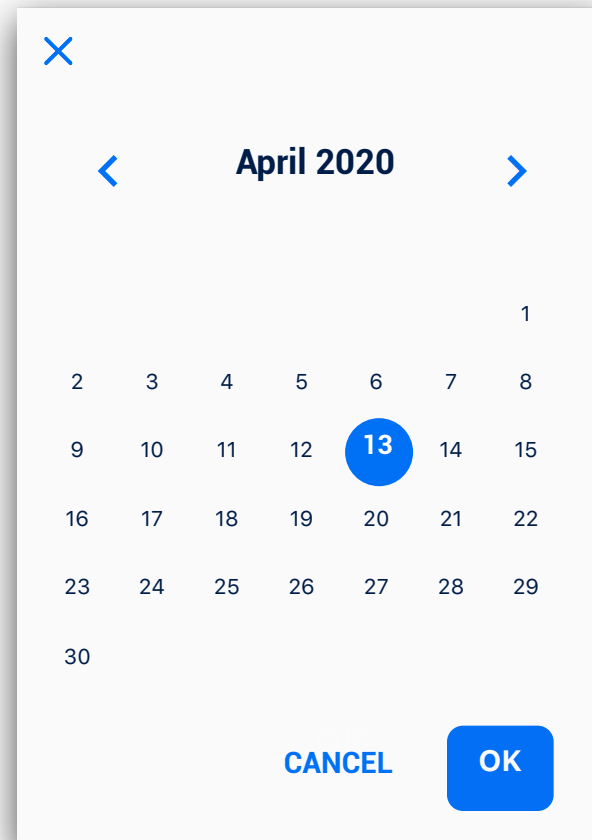

Date Input Fields and Picker

From Date:

YYYY - MM - DD 

To Date:

YYYY - MM - DD 

Components

Form Elements - Toggles and Selects

Title/Label

Yes No Standard Radio Button Pair Unselected

Title/Label

Off On Standard Switch - Off

List Item Checkbox Unselected

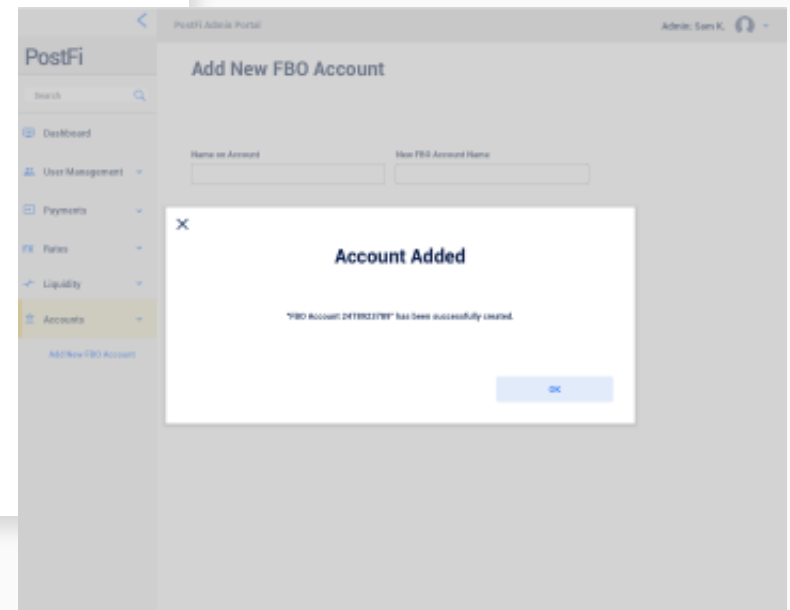

List Item Checkbox Selected

Components

Dialog Box / Modal

Screen overlay

Full screen example

Specifications vary per scenario. Avoid using navigation elements or excess controls within a modal.

Components

Navigation Menu

Full desktop left side menu.

The full desktop left side menu is a vertical sidebar with a light gray background. At the top right is a blue back arrow icon. Below it is a gray bar containing the PostFi logo. Underneath is a white search bar with the text "Search" and a blue magnifying glass icon. The menu items are: "Dashboard" with a blue dashboard icon; "User Management" with a blue people icon and a downward arrow; "Payments" with a blue square icon containing a right arrow and a downward arrow; "FX Rates" with the text "FX" in blue, "Rates" in black, and a downward arrow; "Liquidity" with a blue double-headed arrow icon and a downward arrow; "Accounts" with a blue bank icon, "Accounts" in black, and an upward arrow. The "Accounts" item is highlighted with a yellow background. At the bottom is a blue link "Add New FBO Account".

Collapsed left side menu.

The collapsed left side menu is a vertical sidebar with a light gray background. At the top is a blue hamburger menu icon. Below it is a gray bar containing the PostFi logo. Underneath is a blue magnifying glass icon. The menu items are represented by icons: a blue dashboard icon (highlighted with a yellow background), a blue people icon, a blue square icon containing a right arrow, the text "FX" in blue, a blue double-headed arrow icon, and a blue bank icon.

Components

Icons

Icons are based on the Material Design UI icon set. They are modified for color and sometimes other facets, and converted to native .svg for the UI. Icons are typically sized to approximately 20x20px, but may vary depending on the proportions of the icon and scenario.

<https://material.io/resources/icons>

Interactive (clickable) icon - default 

Interactive (clickable) icon - positive 

Interactive (clickable) icon - caution 

Interactive (clickable) icon - caution 

Non-interactive icon 

Disabled icon 

 **10px padding between an icon and nearest element on top/bottom**

 **20px padding between an icon and nearest element on left/right**

Components

Components

Tooltips

Tooltips / popovers are interactive elements that appear on hover to give the user useful information that does not take up a lot of space. There may be other information available upon click, such as full details, that require more space. The tooltip should dismiss when the element is no longer being hovered over.
